

“A detox bath encourages the body to flush out toxins especially after a massage.”

According to the national Academy of Sciences most Americans are magnesium deficient, which can contribute to numerous health problems. The best way to absorb this important mineral is through the skin. Our special healing salts are blended with organic coconut oil and infused with a variety of essential oils there is a perfect blend just for your individual health needs.

Foot Bath

Bath

Salt Scrub

relax

relax is perfect for anyone battling with anxiety, depression and insomnia. Infused with jasmine and tangerine.

sweet escape

sweet escape is very beneficial for anyone with inflammation, PMS, and menopause symptoms. Infused with 100% pure grapefruit and organic lavender.

cold & flu

cold & flu is excellent for arthritis, feeling worn down or fighting a cold or virus. It is a super immune booster, infused with eucalyptus, tea-tree and organic lavender.

earth

earth is for grounding and balancing. Helps treat eczema, dermatitis and psoriasis. Infused with cedarwood and patchouli.

pure & simple

pure & simple is made with no essential oils specifically for those with sensitive skin.

All five blends have the same therapeutic qualities. Start reducing your aches and pains today!
